

CARACAL

CARACAL F GEN II

HIGHLY VERSATILE SEMI-AUTOMATIC PISTOL

Introducing the CARACAL F Gen II – an apex of firearm innovation. Its integrated solid slide, refined trigger, and MIL-SPEC picatinny rail redefine excellence. The low-profile slide curbs recoil, while the distinct low bore axis enhances intuitive shooting and control. With an ergonomic grip, slide serrations, and interchangeable elevated sights, the CARACAL F Gen II ensures a seamless fit, empowering diverse shooters. Setting a new precision standard, it's the ultimate choice for those demanding top-tier design and function.

Redefine confidence with the CARACAL F Gen II – an innovation icon crafted for excellence.
