CSR 308

BOLT-ACTION SNIPER RIFLE

The CSR 308 bolt-action sniper rifle, chambered in the .308 WIN calibre, delivers precision accuracy at extended ranges. Engineered for urban military and law enforcement operations, it features a suppressor muzzle brake for pin-point precision, an adjustable folding stock for versatility, and a lightweight build for manoeuvrability.

The NATO mounting rails allow seamless customisation for a diverse array of accessories, while the contemporary design and functionality establish the CSR 308 as the optimal sniper platform for the most challenging scenarios and environments.
